

Magnifica Humanitas Reading Group

Join an ecumenical reading experience of Pope Leo XIV's encyclical *Magnifica Humanitas* to discuss how we safeguard the human person in the age of Artificial Intelligence.

To foster dialogue, the Canadian Council of Churches is convening reading groups of 8-10 people across Canada. These ecumenical groups will gather bi-weekly through the fall to explore how the encyclical's themes resonate with their lives and faith traditions.
